RELEASE FOR THE CAROLINA SAILING FOUNDATION (CSF) RTP HIGH SCHOOL
SAILING PROGRAM (2011-2012 SAILING SEASON)

I am fully aware of the risks and hazards associated with participation in the activities of the Carolina Sailing Club (CSC) and Carolina Sailing Foundation (CSF). I understand that I am solely responsible for the arrival and departure of my child at the beginning and end of each scheduled program.

My child is in good health and I know of no reason why he/she would be incapable of participating in the Program activities. My child knows how to swim. I have provided an approved PFD for my child and he/she has agreed to wear it at all times while participating in on the water portions of the Program.

I hereby elect voluntarily for my child to participate in sailing instruction, sailboat races, and regattas and fully acknowledge that these activities may be hazardous to me, my child and property. I am aware that the Program activities may be potentially hazardous. Conditions may include, among other things, strong winds and high waves, unexpected immersion and collision with other watercraft.

I acknowledge that I assume all risks while my child travels to and from and participates in the activities of the Carolina Sailing Club (CSC) or the Carolina Sailing Foundation (Foundation). In particular, the decisions to participate in any event considering, but not limited to, the location, time, weather conditions, and availability and use of safety equipment, including life vests are mine and I assume complete responsibility for them. In exchange for the privilege of my child's CSC or Foundation participation, I hereby release any claim I may have against CSC or Foundation, its officers, directors, and agents for personal injury or property damage arising from my child's participation in CSC or Foundation activities and agree to hold CSC and Foundation harmless from said claims.
